### Community Experience (CX) Associate - My NeighbOR

#### Organization Description:

The Contingent is a 501(c)(3) venture non-profit focused on sparking and holding initiatives to empower leaders and mobilize community for the common good. Since our inception we have centered the perspectives, skills and needs of communities of color and low-income Oregonians to challenge the status quo and transform our communities: from the four corners of the block to the four corners of Oregon – and soon, the four corners of our country. We ask hard questions. We take risks. And we link arms with our neighbors, including business partners, faith communities\*, and government agencies.

The position detailed below primarily supports the My NeighbOR program under Every Child ([www.everychildoregon.org](http://www.everychildoregon.org)), but may have growth opportunities within other initiatives of The Contingent. Every Child Oregon is a statewide initiative focused on providing tangible and systemic supports for those impacted by foster care. Every Child oversees My NeighbOR, a tangible needs fulfillment program supporting individuals and families impacted by foster care.

The position may have growth opportunities within other initiatives of The Contingent. From mentoring to mobilizing volunteers to restructuring systems that work for some at the cost of others, we prioritize uplifting and empowering leaders to transform their communities. For more information about the initiatives of The Contingent, please visit [www.thecontingent.org](http://www.thecontingent.org).

*\*If interested candidates would like to learn more about The Contingent's work with faith communities and how this external work is reflected in our internal rhythms, we would value the opportunity to share more! Please contact The Contingent's ED of Organizational Development, Kelly Bartz [k.bartz@thecontingent.org](mailto:k.bartz@thecontingent.org) for additional information.*
